## **Conclusion**

*Iva Josipović MSc (Republic of Croatia) - Assistant to the Head of the Board for Health and Social Care of the Primorsko-Goranska Region*

We will work and observe the problems raised by sectarian abuses within our local and regional government, and devote full attention to the matter in the framework of our responsibilities. We support the "Rijeka Declaration". It will be presented by the competent authorities to our legislative bodies. To get the required standards, it is necessary to stimulate the Parliamentary Committee which is in charge of preparing legislation.
